Our Philosophy

Stephan Boya is a fashion brand founded in 2009 by Hamburg-based designers Glenda Scipio and Stephan Fahning.

The brand is known for creating clothes that come straight from the heart, taking inspiration from the everyday clothes people wear and the creative joy that comes with them. In particular, Stephan Boya aims to evoke feelings of attraction, comfort, and tenderness in its designs, focusing on the luxurious and tactile experience of cashmere.

One of the brand's distinguishing features is its commitment to social and environmental responsibility. Stephan Boya places great emphasis on creating products that are aware of their impact on the environment and society as a whole. This is likely to include the use of sustainable materials and ethical production processes to minimise their carbon footprint and promote fair labour practices.

In essence, we believe that what we do at Stephan Boya has a meaningful impact on people by delivering a sense of natural elegance and satisfaction, rooted in the quality and craftsmanship of our cashmere products. This aligns with our brand's philosophy of celebrating the natural and obvious beauty that cashmere can offer.

Enjoy!

Glenda & Stephan

We began dreaming of a life with Cashmere early in 2009.

At the beginning of our creative path there were many question marks. We didn't know what the brand would look like or what the designs should be. We aimed at the essentials of fashion and sustainability.

Now, ten years later, the brand has clearly defined itself. We know who we are and what we want to offer our customers.

Stephan Boya has matured.

No longer do we search the market to find our way about. We don't try to fit into a speculative vision of how our collections should appear. Instead, we create straight from the heart, following the flair of creative joy from the people that inspire us in their everyday clothes.

We want others to feel that what we love to feel about cashmere. That feeling of attraction, the touch on your arm or the sensation when hugging loved ones. The calming surface that transmits a message of tenderness. The pure beauty of softness and care on the naked skin.

Stephan Boya represents a group of creative and experienced people who have put their whole heart and soul into the brand.

Although we definitely prioritize fashion, it has a much larger meaning for us. We do not try to follow each and every trend. We seek to stand out, not only with our designs but also as a brand. A brand with responsibility towards the environment and society. Our team loves to create a product that is acutely aware of its impact.

We would like to thank all our collaborators, from both design and production, especially those in Nepal, for their knowledge, patience, commitment, and passion.

The people who invest as much energy into the product as we do every day. We are proud that Stephan Boya represents a group of people who enjoy wearing this uncomplicated and natural apparel, and who also feel committed to the world in which we live.

Thank You.
